_Shelter

GreenwheeL_

Consumed by this greedy disposition
I give no thanks for all that's been given to me
See I'm so concerned with selfish ambition
I see what I want and look past what I needIt's time
To forget myself
It's time
To forget myselfTell me where to find shelter
Somewhere here
Tell me where to find shelter
Somewhere hereImpatience takes its toll
It's such a hefty fair for me to pay
Indifference takes control
I guess I'll keep that outside at bay'Cause I don't care
If I ever change
No I don't care
If I ever changeTell me where to find shelter
Somewhere here
Tell me where to find shelter
Somewhere here, somewhere here
Somewhere hereTell me where to find shelter
Somewhere here
Tell me where to find shelter
Somewhere hereTell me where to find shelter
Somewhere here
Tell me where to find shelter
Somewhere here'Cause I don't care
If I ever change
No I don't care
If I ever change
