

# Herricane

## LANY

I don't know when this tornado hit  
You're from the east coast, so let's both call it  
A herricane  
A herricanePacin' through the, the back of my mind  
Maybe you've been a storm all this time  
A herricane  
A herricaneStop all this sin  
Be born again  
If you want to, if you want to'Cause our home's a wreck, look at this mess  
You blame it on disobedience  
But I think it's time, time you realized  
You're the one in the wrong  
Oklahoma, this time of year  
California, it's different out here  
No herricane  
No herricaneI'm not runnin' from all my pain  
But it can't go, go without sayin'  
No herricane  
No herricaneStop all this sin  
Start over again  
If you want to, if you want to'Cause our home's a wreck, look at this mess  
You blame it on disobedience  
But I think it's time, time you realized  
You're the one in the wrong  
Caught in the midst of your insecure winds  
Breakin' us down and wearin' us thin  
But I love you still, I always will  
But you're the one in the wrongI know your heart hurts the most at 3 a.m  
I know he left before you could even know him  
I've done my best to carry all this weight  
I love you still, I always will, but this needs to change'Cause our home's a wreck, look at this mess  
You blame it on disobedience  
But I think it's time, time you realized  
You're the one in the wrongCaught in the midst of your insecure winds  
Breakin' us down and wearin' us thin  
But I love you still, I always will  
But you're the one in the wrongI love you still, I always will  
You're the one in the wrong  
I love you still, I always will

Even though you are wrong
