

# Last Day of 1999

**DJ Bobo**

It's so good  
Tonight we party like the last day of 1999  
It's so good  
Tonight we party like the last day of 1999  
It's so good It's so good 1999  
It's so good  
Tonight we party like the last day of 1999  
It's so good  
Tonight we party like the last day of 1999  
It's so good, It's so good, when we rock in the spotlight tonight  
It's so good, It's so good, It's so good, It's a magical  
wonderful midnight  
It's so good, It's so good, when we rock in the spotlight tonight  
So come on and get up cause the feeling is here and it's big time  
It's so good, It's so good, when we rock in the spotlight tonight  
Tonight we party like the last day of 1999  
Tonight we party like the last day of 1999  
The crowd is up we are here you're with the crowd  
This happy bunch is your friends you hear them shout  
We gonna drive them eternally insane with our gags  
The world around us the war the rain  
Don't mean much to me, don't mean much to us  
We're here to party let's dance the night away  
Hey come alive baby join this magic ride  
And get together and play let's make abau  
You'll see it's easy this night was ment for all  
Let's shout a rocket and count the stars  
We're the man from mars, we're the man from mars  
hey keep her in and the countdown starts
