# A Message To The Unknown (Unstrumental)

## blessthefall

Turn me on, let me feel you
Turn me on, let me taste you
Boundaries are starting to fall
Conceiving has already started
Kissing, caressing, indulge
Is this really what you wanted?No, I just don't know
If I can
No, I just don't know
If I can
Is this really what you wanted?
Is this really what you, yeahEven though, I don't know you
I know for sure, I love you
Anything that you'll ever need
I'll try my best, to give everythingI tell myself its nothing
I tell myself its nothing, almost nothing
