Wake Up

Run Dmc

Wake up, wake up, get up
Wake up, wake up, get up
Wake upWhen I woke up this mornin' and got out the bed
I had some really fresh thoughts goin' through my head
They were thoughts that came from a wonderful dream
It was the vision of a world workin' as a teamIt was a dream
(Get up)
Just a dream
(Wake up)
(Wake up, get up)There were no guns, no what
No tanks, no what, atomic bombs
And to be frank homeboy there were no arms
Just people workin' hand in hand
There was a feelin' of peace all across the landIt was a dream
(Wake up)
Just a dream
(Get up)
(Wake up, wake up)Between all countries there were good relations
There finally was a meetin' to united nations
And everybody had an occupation
'Cause we all worked together to fight starvationIt was a dream
(Wake up)
Just a dream
(Wake up)
(Get up)Everyone was treated on an equal basis
No matter what colors, religions or races
We weren't afraid to show our faces
It was cool to chill in foreign placesIt was a dream
(Get up)
Just a dream
(Wake up)
(Wake up, get up, wake up, wake up, get up, wake up)All cities of the world were renovated
And the people all chilled and celebrated
They were all so happy and elated
To live in the world that they createdIt was a dream
(Get up)
Just a dream
(Wake up)
(Wake up, get up)There were no street people, we live rent free

And every single person had a place to be
A job, a home and the perfect pay
And the world was free of greed and hateIt was a dream
(Wake up)
Just a dream
(Get up)
(Wake up, wake up)Unemployment was at a record low
And the presidents were chillin' at our show
Listenin' to the things that we had to say
And tryin' to create a new and brighter dayIt was a dream
(Wake up)
Just a dream
(Wake up)It was a dream
(Get up)
Just a dream
(Wake up)It was a dream
(Wake up)
Just a dream
(Get up)It was dream
(Wake up)
Just a dream
(Wake up)Get up, wake up, wake up
Get up, wake up, wake up
Get up, wake up, wake up
Get up, wake up, wake up
