

Next Time (Acoustic Version)

Barenaked Ladies

[Chorus]

You can always get it right next time, next time
You can always get it right next time, next time You can count on me
To mess it up
You can count on me
To let you down again
And in time you'll see
That I'm your only friend [Chorus] Comfort in community
Obliterated
Given opportunity I hesitated
Even my humility's
Humiliated [Chorus] When you die they make a list
Of every love you never kissed
Of each regret and each mistake
Every choice you failed to make [Chorus] It's a shame I have to wait
Until the ending
Everything I've yet to break
Is surely bending
Every vow I ever take
Is just pretending
That this mess I make
Is worth defending [Chorus]
