Under The Rose

Him

I dream of the winter in my heart turning to spring
While the ice gives way under my feet
And so I drown with the sun
I've been burning in water and drowning in flame
To prove you wrong and scare you away
I admit my defeat and want back home
In your hearts under the rose
I open my eyes with a sigh of relief
As the warmth of summer's sunlight dances around me
And I see you with dead leaves in your hands
I've been burning in water and drowning in flame
To prove you wrong and scare you away
I admit my defeat and want back home
In your hearts under the rose
I've been burning in water and drowning in flame
To prove you wrong and scare you away
I admit my defeat and want back home
In your hearts under the rose
Burning in water and drowning in flame
To prove you wrong and scare you away
I admit my defeat and want back home
In your hearts under the rose, in your hearts under the rose
In your hearts under the rose, in your hearts under the rose
