Couldn't Believe

BROODS

You got the key from under the mat
Took off your coat and hung up your hat
I burnt my fingers trying to help
You burnt the wood, you burnt the wood, you burnt the woodWe hid under blankets of ignorance
'Cause that was the only time that it all made sense
You gave me a list of your promises
Listen to this, listen to this, listen to thisAnd I couldn't believe my eyes
I couldn't believe my ears
I couldn't believe my luck
I couldn't believe you're hereAnd I couldn't believe my eyes
I couldn't believe my ears
But I'm looking at you now
And I can't believe we're hereYou never kept anyone for long
I was the worst at being alone
You came around when I needed you
Let's give in to this, give in to this, give in to thisAnd I couldn't believe my eyes
I couldn't believe my ears
I couldn't believe my luck
I couldn't believe you're hereAnd I couldn't believe my eyes
I couldn't believe my ears
But I'm looking at you now
And I can't believe we're hereAnd I can't believe we're here
And I can't believe we're hereYou care for me
You ask of me
I'll do itI couldn't believe my ears
I couldn't believe my luck
I couldn't believe you're hereAnd I couldn't believe my eyes
I couldn't believe my ears
But I'm looking at you now
And I can't believe we're hereAnd I couldn't believe my eyes
I couldn't believe we're here
