Grown

Little Mix

Hold up, wait, you used to be a friend of me.
Back then boy, you didn't even noticed me.
Right now you're tryna get ahold of me.
We never ever spoke, so what makes you think you'd know me?It's funny how the tables turned.
I'm (standing?) back baby watch you learn.
No regrets it's a lesson learned.
cause what you think ain't my concern.About time that I let you know
My ride and I assume control.
You blew it baby years ago.
Can't get with me now I'm grown."Breakdown"Grown now, grown now.
don't you know that i'm
grown now, grown now
don't you know that
i can hold my own.
boy you've missed the boat
cant get with me now i'm grown.Your voice dropped, you thought that you can handle me.
you've played me and now you're tryna holla me.
you're washed and now i'm in a different league.
(....)Now, It's funny how the tables turned.
I'm standing back baby watch you learn.
No regrets it's a lesson learned.
cause what you think ain't my concern.About time that I let you know
My ride and I assume control.
You blew it baby years ago.
Can't get with me now I'm grown."Breakdown"Grown now, grown now.

grown now, grown now
don't you know that
i can hold my own.
