

# Every Morning

## Sugar Ray

Every morning there's a halo hangin'  
From the corner of my girlfriend's four post bed  
I know it's not mine but I'll see if I can use it for  
The weekend or a one-night stand  
Couldn't understand how to work it out  
Once again as predicted  
Left my broken heart open  
And you ripped it out  
Something's got me reeling  
Stopped me from believing  
Turn me around again  
Said that we can do it  
You know I wanna do it again  
Sugar ray say, every morning  
Every morning when I wake up  
Shut the door baby, don't say a word  
She always rights wrongs  
She always rights, she always rights  
Shut the door baby, shut the door baby  
Every morning there's a heartache hanging  
From the corner of my girlfriend's four-post bed  
I know it's not mine and I know she thinks she loves me  
But I never can believe what she said  
Something so deceiving  
When you stop believing  
Turn me around again  
Said we couldn't do it  
You know I wanna do it again  
Every morning, every morning when I wake up  
Shut the door baby, don't say a word  
Every morning, every morning when I wake up  
Shut the door baby, shut the door baby  
She always rights the wrongs for me, baby  
She always rights the wrongs for me  
Every morning there's a halo hanging  
From the corner of my girlfriends four-post bed  
I know it's not mine but I'll see if I can use it for  
The weekend or a one-night stand  
Shut the door baby, don't say a word

Every morning, every morning when I wake up  
Shut the door baby, shut the door baby  
Every morning, every morning  
Shut the door baby, don't say a word  
Every morning, every morning when I wake up  
Every morning, shut the door baby
