

Saturday Night

The Thrills

Is this what they call love?
Is this what they call love?
Is this what they call love
On a Saturday night? I'm just a man
I'm just a man
Not even a great one
I'm too vain for greatness Is this what they call love
On a Saturday night? Is this what they call sex?
Is this what they call sex?
Is this what they call sex
On a Saturday night? Time for the night clubs
Time for the night clubs
Providing the soundtrack for
Humping on dance floors Is this what they call sex
On a Saturday night?
Alright Is this what they call hate?
Is this what they call hate?
Is this what they call hate
On a Saturday night? Broken your bottles
Broken your bottles
Thrown like American footballs
Hey, it's just jocks high on hormones Is this what they call hate
On a Saturday night? Alright
Is this what they call hate?
On a Saturday night? Alright
