

In Hell I Am

David Luning

I lost my mind in Texas
Fell in love, oh tell me what's the difference
I gave my heart to someone else
Should've kept a part for myself 'Cause now in hell I am
And I don't know if I'll ever escape
In hell I am
And I don't know if I'll ever escape So now I find myself alone
And it's a dark and lonesome road
Will I ever find peace of mind
For all I knew to be true turned out to be lies
'Cause now in hell I am
And I don't know if I'll ever escape
In hell I am
And I don't know if I'll ever escape I lost my mind in Texas
Fell in love, oh tell me what's the difference
I gave my heart to someone else
Should've kept a part
Kept a part for myself
'Cause now in hell I am
And I don't know if I'll ever escape
In hell I am
And I don't know if I'll ever escape
In hell I am
And I don't know if I'll ever escape
