

Sick Like Me (Motor Rmx London)

T. Raumschmiere

Hey, are you sick like me? Honestly?
It depends you say and I agree
I don't know who you are
And why you're boring me
And I don't care, just let me be I got my shit down
And I'm ready, tonight
Ten thousand watts
They keep me going alright So are you sick like me? Honestly?
And I think you're nothing but a schmuck
You wanna hear some nice words, baby
I'm already losing nice words
When I tell you that it sucks
I got my shit down
And I'm ready tonight
(Alright, alright, alright, alright)
Ten million watts
They keep me going alright I got my shit down
And I'm ready, tonight
Ten thousand watts
They keep me busy all night Yeah, yeah
I got my shit down
And I'm ready tonight
Ten million watts
They keep me going, alright
(Alright, alright, alright, alright)
I got my shit down
And I'm ready tonight
Ten million watts
They keep me busy all night I got my shit down
And I'm ready tonight
Ten million watts
They keep me going all right
(Alright, alright, alright, alright) I got my shit down
And I'm ready tonight
Ten million watts
They keep me busy all night
