

# Please, Please, Please, Let Me Get What I Want

## She & Him

good times for a change  
see, the luck I've had  
can make a good man  
turn bad  
so please please please  
let me, let me, let me  
let me - get what I want  
this time  
get what I want this time  
haven't had a dream in a long time  
see, the life i've had  
can make a good man turn bad  
so for once in my life  
let me get what i want  
lord knows, it would be the first time  
piano instrumental

lord knows, it would be the first time  
piano instrumental  
so please please please  
let me, let me, let me  
let me - get what I want  
this time  
piano instrumental  
so for once in my life  
let me get what I want  
lord knows it would be the first time  
piano instrumental  
lord knows it would be the first time  
piano instrumental  
lord knows it would be the first time
