

No Ordinary Love (Live at Eddie's Attic)

The Civil Wars

[Verse]

I gave you all the love I got,
Gave you more than I could give, gave you love,
I gave you all that I had
And you took my love, took my love[Chorus]
Keep crying (keep crying), keep trying for you
I keep trying (keep trying), I keep crying for you
This is no ordinary love, no ordinary love x2[Verse]
Oh, when you came around you brightened,
You brightened every day
With your sweet smile,
Oh, didn't I tell you? All I got to give, baby I keep crying, I keep trying
Oh I keep trying, keep trying for you
This is no ordinary love, no ordinary love oh oh x4
