[Intro] Woah... Yeh yeh yeh

Rip...
Whatever man, everyone does that adlib... Ha!
Now girls, what we gonna call these guys that don't like it raw?
Pussy'oles!

[Verse 1]
You can explore me on Sunday, as Sunday's my only day off
You know that I don't wanna hang with no stranger
After I'm done I want gone but I have to say
All your chocolate got me meltin' baby,
Got me meltin', oh my days yeah
Let me give you double helpings you'll be screaming
Baby baby baby baby... Uh uh!

[Chorus] Oh oh oh, make me come and I'll go
Coz I won't need you no more (no!)
Foreplay's fine but I ain't got the time
Why don't you hurry up, yeah hurry up, yeah hurry up!
Fuck me...

[Verse 2] You better call your friend Johnny, you wanna hope he's in town
Coz you know when you blow that I don't want no... d-d-d-d-danger!
Without him it ain't going down, well I have to say
Milky bar kid got me melting
Sugar with that geek chic all the way
Put it in and don't be speaking not unless it's dirty, dirty filthy dirty!
uh,uh

[Chorus] Oh oh oh, make me come and I'll go
Coz I won't need you no more (no!)
Foreplay's fine but I ain't got the time
Why don't you hurry up, yeah hurry up, yeah hurry up!
Fuck me...

[Rap: Suave Debonair] So, that's what you're after, is it?
Straight down to it just a flying visit
Well no doubt I can do the do
No confusion, no drama, who's using who?

Fuck me how you choose to screw
Hit doggy style, call me Scooby Doo
 New dude with a point to prove
Old socks left on, shit, I ain't so smooth
 But yo, it's on now, ah snap
If I could just get my head round yo' bra strap
In the bed talkin' that's wild chat till you screech back
 "How could you ask that!"

 Listen mate, I don't mean to brag
I'm telling you I'ma be the best you've had
 So let's roll! Don't be taking your time
 Get it up put it in, free your mind!

 Ha-ha and the rest I'll swallow
 Courtney!
Ha-ha I'm joking you know I don't do dick, fuck off!

[Chorus] Oh oh oh, make me come and I'll go
 Coz I won't need you no more (no!)
 Foreplay's fine but I ain't got the time
Why don't you hurry up, yeah hurry up, yeah hurry up!

 Where's the music gone?
 Fuck me...

 Ohhh
You coulda done something with that bit I think
 Alright!

And don't be leaving me no pearl necklace
