

# (There's a) Fire In the Night

## Alabama

Running scared, wonderin' what I'm doin' so far from home  
Beginnin' not to care that I was so alone  
Then my eyes met hers and without one word  
I could tell what was gonna happen, I could feel it in my bones  
By the dark o' the moon, there's a fire in the night  
She took me to her room, ya know it felt so right  
The heat's growin' higher, the flame of desire  
By the dark o' the moon, there's a fire in the night  
When she told me, she didn't often do this kind of thing  
She said please hold me, hold me tight so I don't have to think  
Oh her gentle touch, really moved me so much  
The flames of love swept over us like a burning light  
By the dark o' the moon, there's a fire in the night  
She took me to her room, ya know it felt so right, so right  
The heat's growin' higher, the flame of desire  
By the dark o' the moon, there's a fire in the night  
Fire in the night, oh yeah  
By the dark o' the moon, there's a fire in the night  
She took me to her room, oh ya know it felt so right, oh yeah  
The heat's growin' higher, the flame of desire  
By the dark o' the moon, oh there's a fire in the night  
There's a fire in the night baby, we started a fire  
Oh yeah, there's a fire in the night, oh, I'm on fire  
By the dark o' the moon, there's a fire in the night  
Oh yeah, oh yeah
