Teenage Suicide

The Left

Time's rollin' forward
I'm gettin' bored
Layin' on my back
I'm losin' track
Shifting patterns
And nothin' matters
Cause there's no one here
I've lost my fear

Well I've got no place left to hide
I'm runnin' out of time
Moving slowly
The walls are closing
In on me
I can not see
Appearing fine, well
That's all a lie
Cause I'm not alright

Extinct inside
I'm runnin' out of time
My mother says I'm fine
A teenage suicide
No place to hide
Well I've got no place left to hide
No place to hide
Well I'm runnin' out of time
No place to hide
Ya, I've got no place left to hide
No place to hide
A teenage suicide
