Red Lips, Blue Eyes, Little White Lies

Gary Allan

Red lips, blue eyes and little white lies
Oh darlin', I'm a fool for you
Hey darlin', why can't you can be true
Red lips, blue eyes and sweet disguise
Oh darlin', the things you put me through
Your little white lies are breaking my heart in two
You come around and tell me that you love me so
You take a little loving then you say you gotta go
I know he's waiting for you on the other side of town
Well, I'm a fool to love you, baby
'Cause I know you're messing around
Red lips, blue eyes and little white lies
Oh darlin', why can't you be true
I'm crazy to love you, baby, you know I do, yeah
Sooner or later you'll have to face the truth
Little white lies will catch up with you
With nowhere to run and nowhere to hide
And no one to love you there by your side
Red lips, blue eyes and little white lies
Oh darlin', the things you put me through
But your little white lies are gonna catch up with you
Oh, your little white lies are gonna catch up with you
Baby, your little white lies are gonna catch up with you
