You're Still You

Willy Cruz

Through the darkness I can see your light
And you will always shine
And I can feel your heart in mine
Your face I've memorized, I idolize just you
I look up to everything you are
In my eyes you do no wrong
I've loved you for so long
And after all is said and done
You're still you
After all, you're still you
You walk past me
I can feel your pain
Time changes everything
One truth always stays the same
You're still you
After all, you're still you
I look up to everything you are
In my eyes you do no wrong
And I believe in you
Although you never asked me to
I will remember you
And what life put you through
And in this cruel and lonely world
I found one love
You're still you
After all, you're still you
