I get all numb  
When she sings "It's over"  
Such a strange numb  
And it brings my knees to the earthAnd God bless you all  
For the song you saved usYou're the same numb  
When you sing "It's over"  
Such a strange numb  
It could bring back peace to the earthSo God bless you all  
For the song you saved us, oh  
For the hearts you break every time you moanI get all numb  
We're the same numb  
And it brings our knees to the earthSo God bless you all  
For the song you saved us, oh  
For the hearts you break every time you moanAnd God bless you all on the earth
