Beautiful Tonight

Krystal Meyers

My eyes have a rosy glaze as darkness falls
I'm dancing on a razor blade, it's killing me
Such a dangerous attraction, I'm flirting with fire
A desire reason just can't tame, I'm gonna regret this
It's the shadow inside my mind
And I'm in denial, I'm becoming quite a liar
Does that make me beautiful tonight to someone?
In my sickness can you find me beautiful tonight?
The moonlight plays against my skin, you found me out
Midnight sometimes is my only friend, don't leave me now
The hunger it eats me alive, I'm falling, dissolving
It's crawling into my veins, I'm gonna regret this
It's the shadow inside my mind
And I'm in denial, I'm becoming quite a liar
Does that make me beautiful tonight?
In my sickness can you find me beautiful tonight?
Oh, oh, oh, oh, oh, oh, oh, beautiful tonight
Oh, oh, oh, oh, oh, oh, oh, beautiful tonight
(I don't want to stay this way forever)
Oh, oh, oh, oh, oh, oh, oh, beautiful tonight
(Can you make me beautiful tonight?)
Oh, oh, oh, oh, oh, oh, oh, beautiful tonight
It's the shadow inside my mind
And I'm in denial, I'm becoming quite a liar
Does that make me beautiful tonight?
In my sickness can you find me beautiful tonight
Beautiful tonight, beautiful tonight?
