Boom Boom (feat. Zedd)

Iggy Azalea

Yeah, yeah, yeah[Verse 1]
OK, supercalifragilistic, ambionic, go ballistic
Coldest on my chain and wrist lit (automatic)
Sign a face lift, uh
One time gotta hit 'em with the, uh
Two time like a back stabber
Baby, come and hear the pitta-patta
Kiss my (hey) back-scratcher
Do you smell a lie la-la-la
Don't need dope la-la-la-la
Don't see your la-la-la-la
Now time for the (shh), wait a minute
Do you smell a lie la-la-la
Don't need dope la-la-la-la
Don't see don't la-la-la-la
No time for the (hey), wait a minute
[Pre-Chorus]
I can't left the scene
Poppin' out the magazine
Click-clock, set it off
We'll run to the parking lot[Chorus]
I got that boom boom, baby bring the bass
I got that boom boom all up in your face
I got that boom boom, baby bring the bass
I got that boom boom all up in your face
Boom boom all up in your face
[Verse 2]
Wavy so often cause made this on Slauson
Go crazy, you lost it, my ladies, you awesome
You got it, got it
Just drop it, drop it
Who 'bout it, 'bout it
Who 'bout it, 'bout it
Uh, the na-na-na-na
Tell me if you ready to ride or die
Do you smell lie la-la-la
Don't need dope la-la-la-la
Don't see your la-la-la-la
Now time for the (shh), wait a minute

Do you smell a lie la-la-la
Don't need dope la-la-la-la
Don't see don't la-la-la-la
No time for the (hey), wait a minute[Pre-Chorus]
I can't left the scene
Poppin' out the magazine
Click-clock, set it off
We'll run to the parking lot[Chorus]
I got that boom boom, baby bring the bass
I got that boom boom all up in your face
I got that boom boom, baby bring the bass
I got that boom boom all up in your face
Boom boom all up in your faceI got that boom boom, baby bring the bass
I got that boom boom all up in your face
I got that boom boom, baby bring the bass
I got that boom boom all up in your face
Boom boom all up in your face
