## Miranda Sex Garden

Show me a memory  
And that's where I'll long to be  
Please don't ask for more from me  
'Cause memory is all I'll be But I can live in your mind's eye  
Live, in your heart  
I'll love you in your dreams  
But please don't try to hold me in your arms Show me a fantasy  
And that's who I'll long to be  
Please don't ask for more from me  
'Cause fantasy is all I'll be But I can live in your mind's eye  
Live, in your heart  
I'll love you in your dreams  
But please don't try to hold me in your arms
