# Never Gonna Love Again

## Striking Matches

I remember when the cold wind came,
Footsteps walking on my grave,
A let a rose fall to the floor,
Said 'I'll never love anymore'
Two hearts made for each other,
'Til one heart breaks the other,
I'll never find another one for me.
I gave all I had to give,
Oh, but in the end
What might have been will never be,
And i'm never gonna love again,
Never gonna love again.
When you said you never meant no harm,
When you found yourself in another ones arms,
But I know, you were never alone.
Like I knocked into my chest,
You coulda laid my soul to rest right there
Right there, right there, ohh.
Two hearts made for each other,
'Til one heart breaks the other,
I'll never find another one for me.
I gave all I had to give,
Oh, but in the end
What might have been will never be,
And i'm never gonna love again,
Woah oh oh Woah oh oh oh
Woah oh oh Never gonna love again.-Guitar-
Two hearts made for each other,
'Til one heart breaks the other,
I'll never find another one for me ohhh
I gave all I had to give,
Oh, but in the end
What might have been will never be,
And i'm never gonna love again,
Woah oh oh Woah oh oh oh
Woah oh oh Never gonna love again.
