

# The Crow & the Butterfly (Pull Mix)

## Shinedown

I painted your room at midnight  
So I'd know yesterday was over  
I put all your books on the top shelf  
Even the one with the four leaf clover  
Man, I'm getting older I took all your pictures off the wall  
And I wrapped them in a newspaper blanket  
And I haven't slept in what seems like a century  
And now I can barely breathe Just like the crow chasing the butterfly  
Dandelions lost in the summer sky  
When you and I were gettin' high as outer space  
I never thought you would slip away  
I guess I was just a little too late Your words still serenade me  
Your lullaby's, they won't let me sleep  
I've never heard such a haunting melody  
Oh, it is killing me  
You know I can barely breathe Just like the crow chasing the butterfly  
Dandelions lost in the summer sky  
When you and I were gettin' high as outer space  
I never thought you would slip away  
I guess, I was just a little too late Just like the crow chasing the butterfly  
Dandelions lost in the summer sky  
When you and I were gettin' high as outer space  
I never thought you would slip away Like the crow chasing the butterfly  
Dandelions lost in the summer sky  
When you and I were gettin' high as outer space  
I never thought you would slip away  
I guess I was just little too late Just a little too late
