Brick Wall

Citizens!

It's never been enough
To live an breathe just like the rest of usGotta make your mind up
Gotta make your mind up
Gotta make your mind up now
Gotta make your mind up
Gotta make your mind up
Gotta make your mind up nowWhoa look into my eyes
Whoa don't you throw the fight
If you stay with me tonight it will be alright
If you stay with me tonight it will be alrightIt's never been your thing
To open up your lungs and sing alongGotta make your mind up
Gotta make your mind up
Gotta make your mind up now
Gotta make your mind up
Gotta make your mind up
Gotta make your mind up nowWhoa look into my eyes
Whoa don't you throw the fight
If you stay with me tonight it will be alright
If you stay with me tonight it will be alrightYou've been banging your head against a brick wall
Trying to let the light in trying to make the rain fall
You've been banging your head against a wallYou've been banging your head against a brick wall
Trying to let the light in trying to make the rain fall
You've been banging your head against a wallYou've been banging your head against a brick wall
Trying to make the rain fall
You've been banging your head against a wall HoWhoa look into my eyes
Whoa don't you throw the fight
If you stay with me tonight it will be alright
If you stay with me tonight it will be alright
