

Yes I Do

Rascal Flatts

Ooh, ooh, ooh, ooh Do I cry in the night?
Do I long to hold you tight?
Do I wake wanting you?
Yes I do Do I recall every day?
How you took my breath away?
Do I remember loving you?
Yes I do Yes, I do dream of all we had together
Guess its true, we lost it all forever
And do I pray anyway?
Yes, I do I dont live in the past
Wanting love that wouldnt last
And I dont ache like I used to
Yes, I do Yes, I do dream of all we had together
Guess its true, we lost it all forever
Do I pray anyway?
Yes, I do Yes, I do dream of all we had together
Guess its true, we lost it all forever
Do I pray anyway?
Yes, I do Yes, I do and do I pray?
Yes, I do dream of all we had together
Yes, I do and yes, I do
