YoungBloodZ

You're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)
You're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)You're just a booty club playa

(Ol' sucka-ass self)
You're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)When I hit the GC, my money buckled [Incomprehensible]
These hoes shakin' they ass, but they ain't shakin' it for free
Lookin' dead at me, finna get me for what I got
Tattoo on the ass, got my tilly core hotNow I'm almost out the door, one hour left before they close
Shawty went upstairs, freshened up and changed her clothes
Smellin' good, lil' Shawty [Incomprehensible]
"Can you lend a couple hundred to your little 'cuz" And he did, so its on, DJ play my favorite song
Shake 'em off, she shook 'em off, I broke her off
Put the money in her thong
All night long these nigga lookin' at me like I'm wrong
Don't where your playa partner, do dis thang 'til the money goneYou're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)
You're just a booty club playa

(Ol' sucka-ass self)You're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)
You're just a booty club playa
(A break yourself pimp)
A hit the club, spend the dub
(Ol' sucka-ass self)It's Friday night, so what the hell is their to do?

I guess I'll hit club niggas and go and get a drank or two
And who do I see at the end of the bar?

It's that booty club playa, the same one without no carSpendin' his mad little ends on some ass and his friends
And now the night begins as I hit the gentle mens
And then after then, I'm a go and head over to magic city
Where I can get slizzard some mo, and see alot mo tittiesAnd bitties actin' shitty for somethin' they ain't got
So look here Shawty, it ain't no need you gettin' hot
For as I take another shot, up on them rocks

Now let me see dat thang, as I proceed to blow the spotYou're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)

You're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)You're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)

You're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)

(Ol' sucka-ass self)My fare lookin' shawt, done spent all my change
Ain't even got .35 to call a cab man

Nigga I'm big pistol, drank another drank of win on the dance wit cha

Shawty really, want me to come home wit herChargin' five hundred, but I ain't got it to give her
Put my paper down, cut her up like a swisher

Damn, I'm that club bandit, nigga they call me mister

That nigga in the club payin' bills to your sisterNow once again, I go crunk off in the back
Wit my nigga Mark Twayne and Sean Paul off in the lac

And now it's on the crack, and we actin', and cuttin' the fool

For every Benjamin that we spend ain't nothin' coolSo I'm a let you know, just in case you didn't know
That them attic crew boys steppin' in just for the low

And if you ain't wit it, then deal wit it, I gotta go

'Cause we ain't 'bout no games, and you can take that to the storeYou're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)

You're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)You're just a booty club playa
(A break yourself pimp)

A hit the club, spend the dub
(Ol' sucka-ass self)

You're just a booty club playa
(A break yourself pimp)
