Nightcall (Electrostorm Remix)

Kavinsky

There's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explainThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the sameThere's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
