

Happy Violence (Rule of Eight Remix)

Dada Life

Come a little closer, I know what you need now
Come or I'll make you, and then I'll show you how
Cause baby you and me we are on our feet, no defeat smiling
faces
Make this night the very last fight, the wildest life smiling faces
It's my happy violence,
Forcing us tonight it feels so right.
It's my happy violence,
Crashing into you, right into you.
Feel the pleasure, I make you wanna smile.
Feel or I'll make you, no need to question why
Cause baby you and me we are on our feet, no defeat smiling
faces
Make this night the very last fight, the wildest life smiling faces
It's my happy violence,
Forcing us tonight it feels so right.
It's my happy violence,
Crashing into you, right into you.
It's my happy violence,
Forcing us tonight it feels so right.
It's my happy violence,
Crashing into you, right into you.
