

Jessie's Girl

Mary Lambert

Jessie is a friend,
Yeah I know he's been a good friend of mine
But lately something's changed
It ain't hard to define
Jessie's got himself a girl
And I want to make 'er mine
And she's watching him with those eyes
And she's lovin' him with that body, I just know it
And he's holding her in his arms late, late at night I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that? I'll play along with this charade
That doesn't seem to be a reason to change
You know I feel so dirty when they start talking cute
I wanna tell 'er that I love 'er, but the point is probably moot 'Cause she's watching him with those eyes
And she's lovin' him with that body, I just know it!
And he's holding her in his arms late, late at night I wish that I had Jessie's girl
I wish that I had Jessie's girl
Oh where can I find a woman like that? Like Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that? And I'm lookin' in the mirror all the time
Wonderin' what she don't see in me
I've been funny, I've been cool with the lines
Ain't that the way love's supposed to be? I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that? Oh ohh Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that?
