

You (Produced By L.O.S. Da Maestro)

Chris Brown

Now every girl I been with (been with) after you, baby, just ain't the same

(No no no no no no)

Recently I had a girl and her name was Nikki but she left me

Cause I called her your name (No no no no)

I been on that rebound tip

I can't believe it

You got me feeling like this

And every other morning, it's your face that I miss

Man, ya boy's sick

Cause shawty was a ten

And I was on that when I was with you You (you)[Repeat x7]

Girl when I was with you

You (you)[Repeat x7]

Yeah, girl, with

You (you)[Repeat x7]

Girl, when I was with you

You (you)[Repeat x7]

You And every other phone call, it's 9 one of) one of ma dogs

Man, I just seen Keyshia and Nikki and them in the mall

So what did she have on?

Gucci jeans, baby tee, Air Force Ones, hair all done

Damn,

(Man) please don't tell me no more

Man, my heart is so sore

I wanna reclaim her But you'll never get over what I put you through

There's nothing that I wouldn't do

Man, my mama loved you

It's my fault

I wasn't true

But I was on that shh when I was with You (you)[Repeat x7]

Girl when I was with you

You (you)[Repeat x7]

Yeah, girl, with

You (you)[Repeat x7]

Girl, when I was with you

You (you)[Repeat x7]

You Girl, I know it's way too late

To even say I'm sorry babe

I wanna pick uh-uh up the phone

But inside my heart I know I'm wrong
And I still wanna be ya man
But I thought it through time and time again
This road that I'm travelin' on
Will lead me lost and all alone

When I

(When I was with) You (you) [Repeat x7]

Girl when I was with you

You (you) [Repeat x7]

Yeah, girl, with

You (you) [Repeat x7]

Girl, when I was with you

You (you) [Repeat x7]

You Hey

Oh !

Yeah

You [Repeats]
