

# Queen Bee

## Grand Funk Railroad

I'm gonna steal you from your hive  
Steal you away from every man alive  
They can't see what you mean to me, queen bee

They can't see what you mean to me  
What you mean to me  
What you mean to me, my queen bee

I'm gonna follow, every where you go, oh  
'Cause girl, there's something I want you to know, hey oh  
They can't see what you mean to me, my little queen bee, yeah

They can't see what you mean to me  
What you mean to me  
What you mean to me, my queen bee

They can't see what you mean to me  
What you mean to me  
What you mean to me, my queen bee

What you mean to me  
What you mean to me, my queen bee  
My little queen bee, my little queen bee, bzz
