

Counterfeit Life

Starsailor

Come down, slowly
Hotel lobby
Our lives are counterfeit
If we don't lay down
I should be used to it
But I'm losing my strength now
Come a time when
This darkness will end
A war for corporate glory
Re-told as a fairy story
Come a time when
This darkness will end
I got enough respite to keep on trying
I got enough respite to keep from crying
Come a time when
This darkness will end

We should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of it
We should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of it
We should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of it
We should be used to it
Our lives are counterfeit
So let's get back to earth
And make the best of it
