Comin' Down

Dave Dudley

It seems to me your body's yearnin' seems to me your lips're turnin' cold
And after all the love I've given someone else's love is taking hold
And I can see your mind is workin' and an awful thought is turnin' round
I don't know when my time is comin' when it does my world is comin' down
Comin' down fallin' down
I don't know when my time is comin' when it does my world is comin' down
[ac.guitar]
I can see your eyes are wanting but I know they're wanting something new
And I know that it's all over what's he gonna do what I can't do
And I been knowin' that you're restless like the leaves that tumble to the ground
I don't know when my time is comin' when it does my world is comin' down
Comin' down fallin' down...
No I don't know when my time is comin' when it does my world is comin' down
Oh no I don't know when my time is comin' when it does my world is comin' down
