

She's A Superstar

Buddy Guy

My baby's a superstar, she's in a class out just by herself

I said my baby's a superstar, she's in a class out here by herself

You know if the good Lord made anything better, he must a kept it for himselfI was talking to a blind man, I
was talkin' to a blind man the other night

Talking to a blind man, talkin' to a blind man the other night

He said "Every woman you talkin' about Buddy", he said "Hmm man what a sight" He said "That woman man
she's something, she's hot"

He said "That woman man she's like something, you never seen"

She say's she should be on centerfold of the Playboy MagazineMy baby is a superstar, she's in a class by herself
I said my, my baby's a superstar, she's in a class by herself

You know if the good Lord made anything else better, he got to have, held it for himself
