

# Lordly (feat. Alex Aiono) [Khÿen Remix]

[Feder](#)

And once we run the show everyone will know  
That we will be the ones that hold the highest truth  
And once we run the show everyone will know  
That we will be the ones that hold the highest truth I'm from that game strong on my face  
I tell 'em don't go, we love, we love, that's my place  
There's nothing to it, I just do it  
Nothing but love under the sun And once we run the show everyone will know  
That we will be the ones that hold the highest truth  
And once we run the show everyone will know  
That we will be the ones that hold the highest truth There lies a kingdom in my heart  
A reign of light that lights up the dark  
When I step to it, I I I just do it  
Nothing but love under the sun
