

# Betcha She

702

I've been watching you  
Wondering when you  
When you gon' notice that  
I've been looking, all the whileJust been hoping that maybe  
I can get you right where I want you  
I heard that you got a girl, but I cant sweat that none  
'Cause when I see something I want, I get what I wantBetcha she don't do you like me  
Betcha top dollar she don't move you like me  
Betcha she, betcha that she don't turn you on  
You know that I'm the one you really wantBetcha she can't rock it like me  
Bet you all I got she ain't hotter than me  
Betcha she don't  
Betcha she won'tI gotta be up front  
And if I sound real blunt  
Its only 'cause I'm the type to put my feelings on the line  
Every time I see something I likeYour girl says she loves you but  
I cannot pay attention to anything I hear from her  
Boy', you know she must not be  
Trying to keep a hold on you while you're here with meYou're so fine, I want you to be the one, I call mine for  
sure  
'Cause she's not right, no, I ain't trying to be a hater or nothing  
But let me tell you something, she lost her game  
So now I gotta do my thingBetcha she don't do you like me  
Betcha top dollar she don't move you like me  
Betcha she, betcha that she don't turn you on  
You know that I'm the one you really wantBetcha she can't rock it like me  
Bet you all I got she ain't hotter than me  
Betcha she don't  
Betcha she won'tBaby, I wanna do all of the things your girl won't do, do, baby'Cause the bottom line is this, I  
do, she don't  
And the bottom line is that, I will, she won't  
Boy, once you're over here  
Said there ain't no turning backBetcha she don't do you like me  
Betcha top dollar she don't move you like me  
Betcha she, betcha that she don't turn you on  
You know that I'm the one you really wantBetcha she can't rock it like me  
Bet you all I got she ain't hotter than me  
Betcha she don't  
Betcha she won'tBetcha she don't do you like me

Betcha top dollar she don't move you like me

Betcha she, betcha that she don't turn you on

You know that I'm the one you really wantBetcha she can't rock it like me

Bet you all I got she ain't hotter than me

Betcha she don't

Betcha she won'tShe don't
