

Brother's Keeper

Basement

Sit and wait and count my hate
I'll be adding up for daysFeelings come and go, I will let you know x2
1 and 1 is never fun
Pull the thread and I come undoneSee the numbers as they fade away
And the letters that you wrote I saved
I won't read them for I'm not that brave
But I keep them so that I can say
That I cared
I caredFeelings come and go, I will let you know x2
1 and 1 is never fun
Pull the thread
