

Me And My Girlfriend

Jay-Z ft. Beyonce Knowles

[Intro - Girl]

Shit, you mothafuckin' right!

I'm the bitch that's keepin' it live and keepin' it hot when you punk-ass niggas don't!

Nigga West-SIDE! What?!

Bring it on! [Verse 1: 2Pac]

Look for me lost in the whirlwind

'96 Bonnie and Clyde, me and my girlfriend

Doing 85 when we ride, trapped in this world of sin

Born as a ghetto child, raised in this whirlwind

Our childhood years, recall the tears, heart laced with venom

Smoking sherm, drinking malt liquor, father forgive 'em

Me and my girlfriend, hustling, fell in love with the struggle

Hands on the steering wheel, blush while she bail out busting

Fuck 'em all, watch em fall screaming

Automatic gunfire exorcising all demons

Mafias on the side, my congregation high, ready to die

We bail out to take the jail back, niggas united

Our first date couldn't wait to see you naked

Touch you in every secret place, I could hardly wait

To bust freely, got you red-hot, you so happy to see me

Make the front page primetime live on TV

Nigga, my girlfriend, baby 45 but she still live

One shot make a nigga's heartbeat stop [Interlude - Girl]

What? I'm busting on you punk ass niggas!

Run, nigga, run! I'm on your ass nigger!

Run, nigga, duck and hide when I'm bustin' on all you bitches!

Run, nigga, yeah! Westside! Uh! Uh! Uh!

Die, nigga, die! [Continuation of Verse 1: 2Pac]

My girlfriend: blacker than the darkest night

When niggas act bitch-made she got the heart to fight

Nigga my girlfriend, though we separated at times

I knew deep inside baby girl would always be mine

Picked you up when you was 9, started out my life of crime

With you, bought you some shells when you turned 22

It's true, nothing compares to the satisfaction

That I feel when we out mashin'

Me and my girlfriend [Hook x2]

All I need in this life of sin, is me and my girlfriend

Down to ride to the bloody end, just me and my girlfriend [Verse 2 2Pac]

I was too immature to understand your ways, inexperienced back in the days
Caused so many arguments and strays
Now I realize how to treat you, the secret to keep you
Being faithful, cause now cheating's lethal
We're closer than the hands of time, deeper than the drive of mankind
I trust you dearly, I shoot blind
In time I clock figures, dropping niggas as we rise
We all soldiers in God's eyes
Now it's time for war; never leave me baby
I'm paranoid, sleeping with you, loaded by my bedside crazy
Jealous when you hang with fellas, I wait patiently alone
Anticipated for the moment you come home
I'm waiting by the phone this is true love, I can feel it
I've had a lot of women in my bed, but you the realest
So if you ever need me, call, I'll be there through it all
You're the reason I can stand tall, me and my girlfriend[Hook][Verse 3: 2Pac]
I love finger-fucking you, all of a sudden I'm hearing thunder
When you bust a nut, niggas be ducking or taking numbers
Love to watch you at a block party begging for drama
While unleashing on the old-timers, that's on my mama
I would trade my life for yours, behind closed doors
The only girl that I adore, everything I'm asking for
Talking to me begging me to just take you around
17, like Brandy, you just "Wanna Be Down"
Talking loud when I tell you be quiet, you move the crowd
Busting rounds, activating a riot. That's why I love you so
No control, down to roll, unleash
After a hit you break apart, then back to one piece
Much love to my one and only girlfriend, the world is ours
Just hold me down, baby witness the power
Never leave a nigga alone, I love you black or chrome
Turn this house into a happy home: me and my girlfriend![Hook][Outro]
Lost in the whirlwind, '96 Bonnie and Clyde, me and my girlfriend
Lost in the whirlwind, '96 Bonnie and Clyde, me and my girlfriend
Meet my girlfriend!
