Sweetest Pain

Haylie Duff

I was analyzing, rationalizing 9 to 5in'
Deep sea diving, tryin' to escape the truth
You're my weakness, you're my chocolate cake
My extra sugar lemonade, that kinda stuff's tabooSee, I told myself from the start of things
You can't rule my heart, you can't pull my stringsBut, I'm a fool for you, baby, a fool for your love
I'm just a fool for you baby, got me all mixed up
I'm just a fool for you, baby and nothing's gonna change
And maybe it's my sweetest painI wanted to be on the road but nothing on my mind
So I drove until my mind went numb
40 miles from L.A. was when I slammed onto my breaks
Sometimes smart girls are so dumbSee, I know nobody treats me like you did
You will again tonightBut, I'm a fool for you, baby, a fool for your love
I'm just a fool for you, baby, there's somethin' about us
I'm just a fool for you, baby and nothing's gonna change
And maybe it's my sweetest painSee, I told myself from the start of things
You can't rule my heart, you can't pull my stringsBut, I'm a fool for you, baby, a fool for your love
I'm just a fool for you, baby, it's driving me nuts
I'm just a fool for you, baby and nothing's gonna change
And maybe it's my sweetest painFool for you baby, fool for your love
(My sweetest pain)
Fool for you, baby
(Baby, you're my sweetest pain)Just a fool, fool for you baby, a fool for your love
(My sweetest pain)
Fool for you, baby, it's drivin' me nutsFool for you, baby
Fool for you, baby
Fool for you, baby
