

Overflow

Bootleg Rascal

Rock and roll
I might overflow
rock and roll
mama rock me so
it's just that superficial state of mind
and it come up on me and I'm tired
of you and you
come here and keep in time
rock and roll
I'm on my own again
rock and roll
come and be my friend
it's just that unoffiacial frame of mind
it'll cut me down and now I'm tight
of you and you
come and take a look inside
then run away
from me
me... me...
from me..., ohhh.
rock and roll
I'm a one man boat
rock and roll
mama rock and roll
it's just that superficial state of mind
and it'll creep up on me and now I'm tired
of you and you
come here and try to keep in time
rock and roll
I'm on my own again
rock and roll
won't you be my friend
It's just that unofficial way of life
and it'll cut my down with both hands tighed
when you or you
come and take a look inside
and run away
from me...
me... me...

from me... me...
from me...
me...
cause I'm living on this one man boat
I got the feeling ...
... the drink overflow, overflow
and the ocean sways you like a bitch you see
it's there man, but you know the pool likes me
and have a drink man and then we'll ride through creek
from me...
me... me...
from me...
from me...
me... me...
from me... ohhh
