Nowhere Girl (Deathday Remix)

B-Movie

nowhere girl you're living in a dream,
nowhere girl you stay behind the scenes,
nowhere girl you never go outside,
nowhere girl cause you prefer to hide.every night, every day
in that all old familiar light
you hang up when I call you at home.
and I try to get through
and I try to talk to you
but there's something stopping me from getting through.nowhere girl what you had you need,
nowhere girl all functional and neat,
nowhere girl in self-imposed exile,
nowhere girl a martyr-like denial.every night, every day
in that all old familiar light
you hang up when I call you at home.
and I try to get through
and I try to talk to you
but there's something stopping me from getting through.
