

Get Me Off

Basement Jaxx

(Huu)

(Ha huu)

Give your body to me

(Huu)

Give your body to me

Let your body be free

(Ha huu)

Free your body, your body with me

Give your body to me

(Huu)

Give your body to me

Let your body be free

(Ha huu)

Free your body, your body with me

I want to undress you

(Undress you)

Wanna caress you

(Wanna caress you)

Don't wanna be coy

(Coy)

It's time to get me off

(Get me off)

I want to undress you

(Undress you)

Wanna caress you

(Wanna caress you)

Don't wanna be coy

(Coy, coy)

It's time to get me off

(Get me off)

Come on baby, thrust me, trust me, get me off

You're my poison and I cannot get enough

Come on baby, thrust me, trust me, get me off

You're my poison and I cannot get enough

Get me off

Get me off

(Off)

Get me off

(Games, games)

(Off)
Get me off
(Off)
Get me off
Get me off
You got to get me off
(Off)
Give your body to me
Give your body to me
Let your body be free
Free your body, your body with me
Give your body to me
Give your body to me
Let your body be free
Free your body, your body with me
I want to undress you
(Undress you)
Wanna caress you
(Wanna caress you)
Don't wanna be coy
(Coy, coy)
It's time to get me off
I want to undress you
Wanna caress you
(Wanna caress you)
Don't wanna be coy
It's time to get me off
Come on baby, thrust me, trust me, get me off
You're my poison and I cannot get enough
(Let me take you again)
Come on baby, thrust me, trust me, get me off
You're my poison and I cannot get enough
(How do you like this?)
Get me off
Get me off
(Off)
Get me off
(Games, games)
(Off)
Get me off
(Off)
Get me off
Get me off
You got to get me off
(Off)

Give your body to me
Give your body to me
Let your body be free
Free your body, your body with me
Give your body to me
Give your body to me
Let your body be free
Free your body, your body with me
(Take, take it, take it)
(Fufufufufu)
(Take, take it, take it)
Get me off, so good, move it
(Huu, huu, huu)
Give your body to me
(Huu)
Give your body to me
Let your body be free
(Huu)
Free your body, your body with me
Give your body to me
(Huu)
Give your body to me
Let your body be free
Free your body, your body with me
'Coz the music's pumpin' and I wish you'd do the same to me
Haa I
(You know, you can do it, you know, you wanna do it)
Some freaky, treat me, make me come, oh baby, baby please
Fufufufufu
(Give your body to me)
You got to get me off
(Get me off)
Get me off
Get me off
Get me off
You got to get me off
(Get me off)
(Get me off)
You got to get me off
(Get me off)
(Get me off)
You got to get me off
(Get me off)
(Get me off)
You got to

(Get me off)
You got to
(Get me off)
You got to
(Get me off)
You got to
(Get me off)
You got to
(Get me off)
You got to
(Get me off)
Give your body to me
Give your body to me
Let your body be free
Free your body, your body with me
(Its time to get me off)
Ahh huu
Ahh huu
Ahh huu
