

# Best In Me (2004)

## Blue

From the moment I met you I just knew you'd be mine  
You touched my hand and I knew that this was gonna be our time  
I don't ever wanna lose this feeling  
I don't wanna spend a moment apart

>Chorus : Cause you bring out the best in me, like no one else can't do  
That's why I'm by your side...And that's why I love you

Everyday that I'm here with you I know that it feels right  
And I've just got to be near you everyday and everynight  
And you know that we're belong together  
It just had to be you and me...

>Chorus
