A Whisper

Chirleison

A whisper, a whisper, a whisper, a whisper
A whisper, a whisper, a whisper, a whisperI hear the sound
Of the ticking of clocks
I remember your face
Remember to see when you are lostI hear the sound
Of the ticking of clocks
Come back and look for me, look for me
When I am lostJust a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisperNight turns to day
And I still have these questions
Bridges will break
Should I go forward or backwards?
Night turns to day
And I still get no answersJust a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisperI hear the sound
Of the ticking of clocks
I remember your face
Remember to see when you are lostI hear the sound
Of the ticking of clocks
Come back and look for me, look for me
When I am lostJust a whisper, a whisper, a whisper, a whisper
Just a whisper, a whisper, a whisper, a whisper
