

Sick and Tired

Anastacia

My love is on the line
My love is on the line
My love is on the line
My love is on the lineMy love is on the line
My love is on the lineA little late for all the things you didn't say
I'm not sad for you
But I'm sad for all the time I had to waste
'Cause I learned the truthYour heart is in a place I no longer wanna be
I knew there come a day I'd set you free
'Cause I'm sick and tired
Of always being sick and tiredYour love isn't fair
You live in a world where you didn't listen
And you didn't care
So I'm floating, I'm floating on airI am on airNo warning of such a sad song
Of broken hearts
My dreams of fairy tales and fantasies, oh
Were torn apartI lost my peace of mind somewhere along the way
I knew there'd come a time you'd hear me say
Am sick and tired
Of always being sick and tiredYour love isn't fair
You live in a world where you didn't listen
And you didn't care
So I'm floating, I'm floating on airMy love is on the line
My love is on the line
My love is on the line
My love is on the lineMy love is on the line
My loveYour love isn't fair
I said you live in a world where you didn't listen
And you didn't care
So I'm floating, I'm floating on airYour love isn't fair
You live in a world where you didn't listen
And you didn't care
So I'm floating, I'm floating on airAm floating
Am floating on air
