# Star War

## Backyard Babies

Everybody's here
With a face in the crowd
No more lookin' back, yeahStrung out junkies
Computerized monkeys
Waitin' for the place to get packed, yeahI don't need no doctor
'Cause no one's got the cure for me
'Cause I'm a, a heart breaker
And a, a soul shaker since 1973, yeahStar war
So watcha waitin' for?So I'm runnin' down the stairs
So I won't get stabbed
But that's alright with me, me, me, me
Meanwhile them supernatural freaks
Fingerprints my feeSo put food on the table
Some money if you're able
'Cause no one's got the cure for me
'Cause I'm a, a heart breaker
And a, a soul shaker since 1973, yeahStar war
So watcha waitin' for? OhFood on the table
The money if you're able
Meanwhile back
In Jack N' coke stable
'Cause it's a star warYeah, star war
So watcha waitin' for?
Star war
So watcha waitin' for?Star war
So watcha waitin' for?
Go, go, goStar war
So watcha waitin' for?
Star war
So watcha waitin' for?
