

# Insincerity As An Artform

## Further Seems Forever

It's been a long time  
Since I felt the rain upon my head  
A moment in separation  
The foreground don't seem so bright  
These angels in my head  
Are in between the shadow and the light  
Were my arms too short  
To ransom you from broken skin  
And black and blue

Unstitch your eyes  
So you could read this forever  
Dead and broken  
And I'm backwards turned to love  
My heart in a box - I'd send to you  
For a sky held up by stars  
It's been a long time  
Since I felt the rain upon my head  
Your varying degrees of grayness  
Tugging the deepest of heartstrings
